- Stunning, exceptional home, inside and out! Rare opportunity to own a beautiful executive home in one of Waterloo's most sought-after neighbourhoods, and backing directly to Waterloo Park, the "Jewel of the City".
- Fabulously bright, this home has been thoughtfully upgraded to the highest level, while maintaining the original character and charm of a century home.
- Vacation in your back yard this summer! Serene privacy including salt water pool, mature trees, professional landscaping. Convenient gate providing your own personal entrance to Waterloo Park, which blends rich history with modern recreation (recently revitalized with Silver Lake, walking trails, sports fields, and family-friendly attractions).
- Modern open concept floor plan, lovely hardwood floors, and gorgeous gas fireplace with marble surround - curl up by the fire and relax.
- Bright dining room with lots of windows and huge new slider walk-out to deck, such a regal space with high ceilings and crystal chandelier
- Gorgeous custom kitchen is a chef's delight. Professional built-in Thermador appliances including a stunning 6 burner gas stove (retails for ~$15,000) with a custom range hood, and convenient pot filler tap. You'll love the beautiful honed cararra marble countertops, herringbone backsplash, stainless apron front sink, and centre island with built-in microwave drawer. With cupboards and drawers galore, everything is at your fingertips!
- Second floor features three spacious bedrooms and convenient upstairs laundry.
- Main bath with lovely corner whirlpool tub, glass shower, and lots of storage.
- Excellent in-law/rental potential too! Third floor includes lovely spacious family room (could also be 5th bedroom), bonus office/den space, and another gorgeous bathroom with marble finishes. So many options for this space: workout area, hobby room, teen hang out, kids play room, etc.
- Separate heating controls for each floor, everyone can set their own preferred temperature. Main floor "in floor" radiant heat provides warmth underfoot.
- Basement with full height ceilings provides inviting recreational space and great storage
- Unbeatable central location! A quick walk to all that Uptown has to offer: trendy shops, LRT, great restaurants, walking trails, Perimeter Institute, CIGI, Clay and Glass Gallery, both universities, and so much more!
